- Instructions For Use -

- The slider locking and attachment strength of individual teeth is lower than size 3, 5, 8 VISLON® zippers.
- Do not use this product for luggage or boots.
- This product is not for reversible use.
- Do not subject this product to heavy loads. This may result in a loss of zipper strength and, in some circumstances, cause breakage. Ensure this product is completely closed when placing it into a washing or drying machine.
- Partially closed zippers may become entangled with other items, resulting in damage to the teeth, slider, or other items.
